

Volvo club drive, July 26 2015

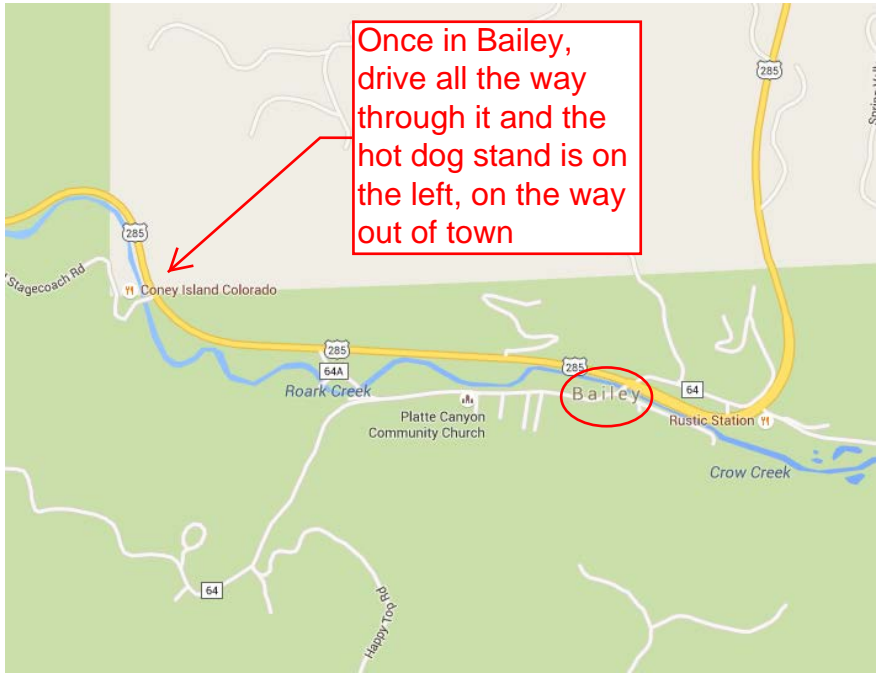

Just before Kittredge, turn south on Myers Gulch road

From Conoco gas station, head west up Morrison road

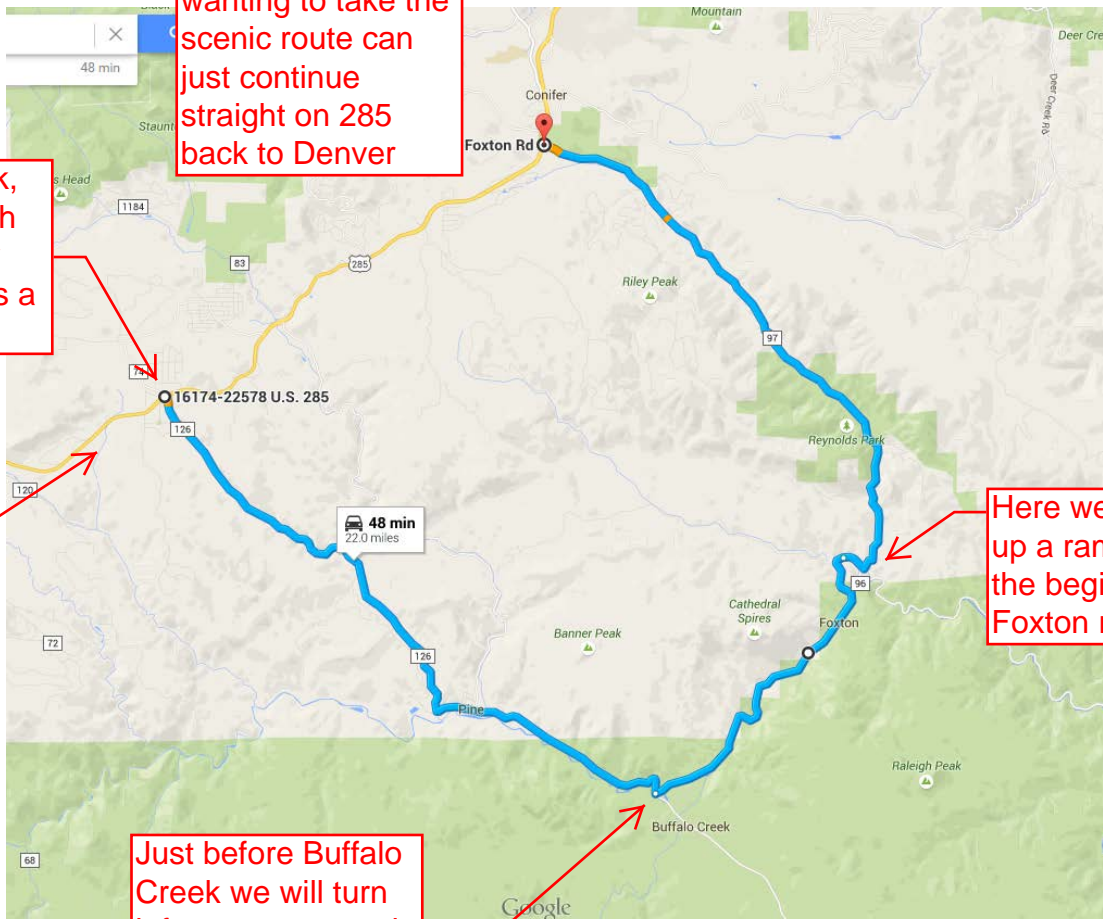

The exit here is backwards. We need to bear LEFT to take 285 south to Bailey

285 south takes us to Bailey

Once in Bailey, drive all the way through it and the hot dog stand is on the left, on the way out of town

Anyone not wanting to take the scenic route can just continue straight on 285 back to Denver

On the way back, we will turn south on 126 at Valley Junction. This is a stoplight.

From Bailey

Here we bear left up a ramp which is the beginning of Foxton road.

Just before Buffalo Creek we will turn left on county road 96, to Foxton. This is a bit of a blind turn so we have to watch for it.
